This is our range of contemporary hand made albums with smaller duplicate books produced from the same artwork. The albums open so the pages lay flat, with full double page edge to edge panoramic photographic printing. The photographic pages are mounted on a rigid heavy weight board and each page is approx. 1mm thick. Any size or format is available with any cover option.

The Matted Album offers the best of both worlds. Combine the full flush mounted edge-to-edge pages of the Classic Album, with traditional bevel-cut apertures. This elegant product is produced using the latest computer cutting equipment for absolute precision and is individually hand-built to create a timeless look.

All albums come presented in a drawstring bag & gift box.

Smaller duplicates are available from the same artwork, see page 11 for full details.

Lay Flat Printed Paper

These books are press printed and lay perfectly flat when the book is open. Different to any other product within the range, this new high quality satin finish paper gives a seam-free look when the book is open. Remember the first and last pages of these books are single pages and not double page spreads.

The framed canvas differs from our canvas wrap as it is mounted to board and stretched to the stretcher bars before being placed in to the 2” frame. This prevents any movement over time. As with all our canvasses, it is printed using 12 colour technology to give you the ultimate colour range. The canvas is also sealed, making it moisture and UV protected.
